Attached files: 📎 Minutes for January 17 DLO Cemetery meeting

Notes:

Action items

Adel opened a discussion about spending 1000.00 on a survey of the land. Keith, the receivership person, stated to hold on to the survey. The survey the county will do is different.

Unisource stated that the power to the chapel is operating.

Escrow with Layers title in Nogales needs to be approved and the SCCB of Directors.

It was discussed how important it would be to attend the next county board meeting in March 11 and 18th. Important because the board should be voting on the land.

It was discussed that there is word about construction companies wanting to purchase the land.

Ramon reached out to G. Brasher who is the real estate, to see about purchasing the rest of the land.

It was discussed / There will be oppositional people around us. Be prepared.

Electricity was discussed. High voltage is not needed on the easement section of land.

Discussion on how to tactfully invite family members to attend meetings.

Edna- shared a suggestion to provide a summary of the non-profit with the goals and what has been done currently towards gaining the family homestead back to the family.

Paper surveys were discussed.

Memo L. had 95

Martha has 12

Becca L- 98

JUST IN.....

ADEL RECEIVED AN EMAIL FROM KEITH (receivership people)The parties agreed to transfer the land to the Foundation.!!!

More to come...

Meeti adjourned- 8:03 PM.
